QUALITY LEADERSHIP TOUCHES MANY LIVES

Dr. E. Lawson Brown has been at the helm of the Davidson County Schools for twenty-five years. Under his direction the school system has evolved into one of the leaders in the North Carolina Public School System.

His dynamic leadership has touched the lives of many boys and girls in the Denton Community. An avid supporter of equal opportunities for all students, he has provided a quality learning environment for the boys and girls of Davidson County.

Dr. Brown takes time to visit the Denton vs West basketball game.

Visiting schools is how Dr. Brown spends much of his time. Here he and Mr. Jack Briggs, Chairman of the Davidson County School Board, check out Denton's facility.

The 1984 Homecoming Parade brings Dr. Brown to Denton for a visit.

Dr. Brown is a true leader in every sense of the word. His intelligence, charm, charisma, and concern will continue to impact on our lives for years to come.

The staff of the 1985 Phoenix is proud to dedicate this yearbook to a man who has served Denton and Davidson County so well — Dr. E. Lawson Brown.

SPECIAL PEOPLE

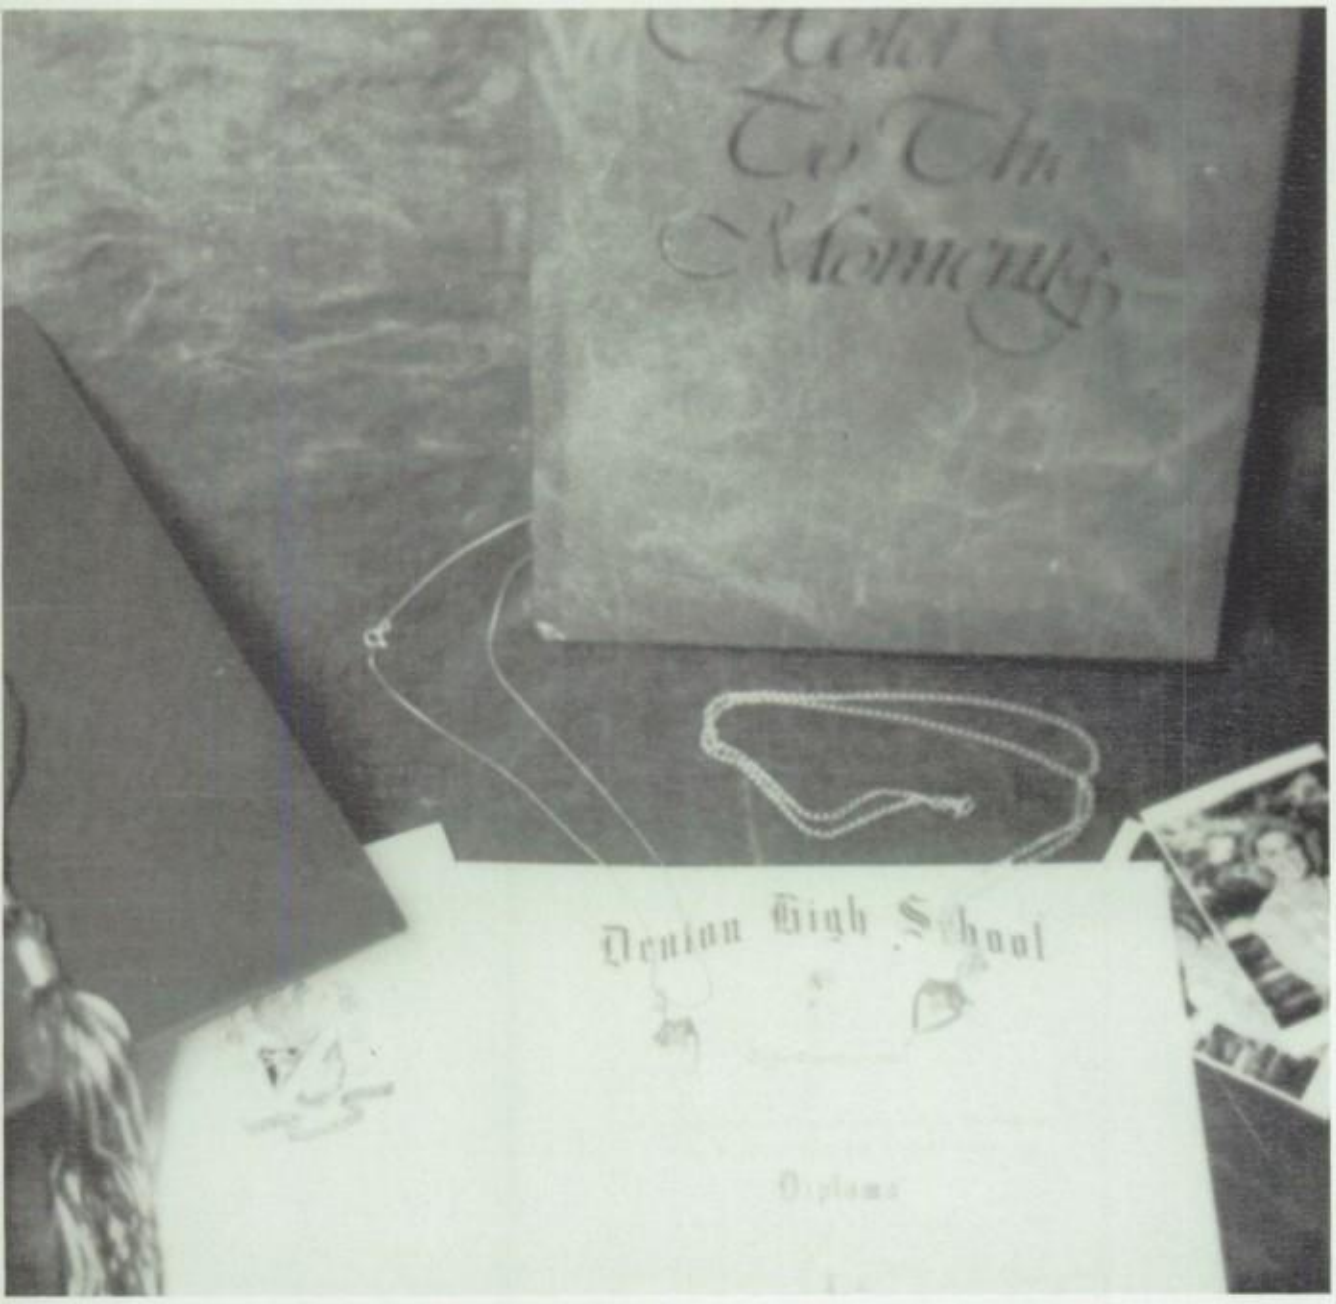
All smiles, Mr. and Miss Red Raider are Lee Hinesley and Ingram Fine.

The 1985 Senior Class met in the library to pick mascots. Seniors were asked to bring a kindergarten aged child to be among those voted for. We chose Mike Parrish and Lauren Lanier.

Mr. and Miss Red Raider were chosen by the High School faculty. This honor is awarded to a senior boy and girl that represents the finest Denton High has to offer. They were chosen after considering academic and athletic achievement school spirit and leadership. Mr. and Miss Red Raider for 1985 are Ingram Fine and Lee Hinesley.

Voting time all ready. Seniors are voting on the class flower.

Senior mascots, Lauren Lanier and Mike Parrish are dressed up real cute for our Homecoming.



Senior mementos, look what you can collect during your senior year.

Our senior year does prove to be a costly year; perhaps more than any other year of school. But maybe it should be. For after all, it is the one year we have long awaited for throughout our high school career. Our first expenses came from purchasing our senior portraits. As tradition, at the end of August we all met at the Parker's home to have environmental photos taken. We bought portraits to share with our classmates and family members. The next expense was our memory book and class key. Everyone wanted a memory book to hold all of those special mementos of their senior year and a class key to show off their "senior superiority." We found that graduation day was not only one of the most important days of our life, but also a quite expensive day. We purchased our cap and gown, our diploma, invitations and thank you notes, and roses in recognition of our parents. It was quite a lot, but well worth it. Perhaps the most important senior purchase was the yearbook. Senior yearbooks were a little more expensive than underclassmen because each senior received a personalized one. One of our greatest expenses occurs after graduation — the long awaited trip to the beach! A great week of celebration and partying — that last bit of sharing before we all go our separate ways.

LASTING MEMORIES, SEPARATE WAYS

There's nothing better than being a senior. Sharing the good times along with the bad, somehow we made it together. Special moments touched each of our lives leaving memories of the good times.

Most of the seniors participated in the homecoming activities. Floats were built and posters covered the walls. Spirit was everywhere! The senior float meetings were held at Marty Owens home. There was more participation than ever and we became closer together as a class. Even though we didn't win the competition, we had a lot of fun being together. The homecoming pep rally was really one to remember. Confetti filled the air as the seniors shouted "BEAT COUGARS", and won the spirit stick.

The homecoming game was a big highlight of our senior year. The Raiders tamed the Cougars 46-16! Homecoming 1984 was the best ever here at Denton High.

As seniors, we were always given advice to make the most of **our** year, and we tried to do just that. Reaching our last year of high school has not been an easy task. It has taken a lot of hard work and dedication, encouragement and support from our parents, friends and faculty. Without all of these people we never would have made it. None would disagree that this past year has been one in a million. Being a senior was every bit of what we expected and more. As we go our separate ways, memories of our high school years will be with us always; remembering the good times.

With great spirit, the Senior Class wins the spirit stick from their last Homecoming pep rally.

Harold Pridgen and Ingram Fine are at the front of their class giving examples.

Editor's Note

It is hard to believe that another year has come to a close. There are so many things in your high school years that you find the most memorable. Working on the **Phoenix** during the past three years has given me a great experience in learning. No one can say that it is an easy task. There is much hard work involved.

I would like to thank Mrs. Dorcus Loflin for all of the time and effort she has given in putting this yearbook together.

The staff this year has increased, and each person has done a super job in reaching the deadlines. I could not have had a better staff to work with.

There is one special person who needs more than thanks — Mrs. Sheila Allen. Whenever we had a problem, she always helped us. She has helped us assemble a wonderful yearbook, and I am proud to say that she will always be a dear friend to me. Thank you very much; I love you.

You must go into a new life once you have left your years in school. It is important to go on with your life and look ahead. But when you look back, remember all the things that brought you joy, sorrow, anger, and tears. Think of your close friends who shared your happiness. When thinking back, there were times that you wanted to sit down and cry to someone — a trusting friend or a teacher. But most of all, when thinking of your years at Denton High School, **Remember The Good Times.** Those were the moments that you wouldn't change for the world. These were our times and moments.
